

# Administrative Planning Tool

Since 2002, School Perceptions has been helping school districts across the country navigate the strategic planning, budgeting and referendum planning process. Our customizable surveys provide District's with important data on parent and student satisfaction and staff engagement. All, in an effort to grow community support and improve schools.

## YOU ASKED..... WE ANSWERED.....

In response to district administrators' requests, we have developed the **School Perceptions Administrative Planning Tool™**. Designed to help you identify planning priorities and needed professional development, the School Perceptions' Administrative Planning Tool™ will give you the *data you need* to best equip your educational leaders for success.

We can help you identify:

- ✓ Areas of growth
- ✓ Areas of concern
- ✓ Gaps within the District
- ✓ Planning priorities
- ✓ Policy needs
- ✓ Professional Development needs
