## HAPPY NEW YEAR FROM SCHOOL PERCEPTIONS!

We look forward to seeing you at the 95<sup>th</sup> Annual Wisconsin State Education Convention Jan. 20-22nd.

### School Perceptions is Presenting:

Community Engagement is Key to Referendum Success

January 20<sup>th</sup> 1:30 p.m.

Room 202AB Wisconsin Center

Voters are more likely to support a plan they understand and had a voice in creating. In this presentation, learn how to design and use a community-wide survey to both educate stakeholders on the needs of the district and gather data to finalize the solution and hear firsthand how the community engagement process has helped two school districts successfully pass both capital and operating referenda.

Survey Tools to Improve Data-Driven Decision-Making:  
Taking Your Schools from Good to Great

January 20<sup>th</sup> 3:30 p.m.

Room 201B Wisconsin Center

Join School Perceptions as they share three survey tools designed to help educational leaders make data-driven decisions, all in an effort to identify efficiencies, improve systems and ultimately, increase student achievement. Surveys covered include:

- The Staff Engagement Survey
- The Administrative Planning Tool
- The Annual Board Development Tool
