NOVEMBER IS A GREAT TIME TO SURVEY STUDENTS, STAFF AND PARENTS!

At School Perceptions our mission is to help educational leaders gather, organize and use data to make strategic decision. Simply put, *we measure what matters to you.*

Look to School Perceptions for all your survey needs:

- Staff Engagement Survey
- Student Engagement Survey
- Parent Satisfaction Survey
- Administrative Planning Tool
- Annual School Board Development Tool

Each of these surveys can be customized to meet your District's specific needs.

NOVEMBER'S FEATURE: STUDENT ENGAGEMENT SURVEY

A student that is engaged in both their school work and school community experiences *greater success in and out of the classroom* as well as upon graduation from high school. Understanding how a student spends their free time, their perception of the rigor and relevance of their school work, how they utilize various support systems and the planning they have done for life after high school is critical for a school system to best meet each student's individual needs.

What our customers are saying...

“The information obtained from the survey which School Perceptions helped the Tomah Area School District create will be extremely useful in planning for the future of the school district, responding to community concerns, and developing a message about our district which will resonate with our constituents. We found the process to be simple, yet extremely valuable.”

- Cindy Zarhrte, Superintendent
Tomah Area School District
